Minnesota's Workers' Compensation Response to COVID-19

The Minnesota Department of Labor and Industry (DLI) report mandated by HF 4537 is now available: [Minnesota's workers' compensation response to COVID-19](#)

The report examines the approximate 15,200 COVID-19 workers' compensation claims reported to the DLI so far and assesses the impact of HF 4537, which created a presumption for certain classes of workers. Analysis includes: breakouts of claimant demographics, examination of acceptance and denials, detail of initial benefits paid, and timing of claims throughout 2020.
