In honor of March Madness and to encourage you to explore all the great resources on our website, we invite you to participate in the MWCIA Webzone!

The rules for participation and entry to win one of three \$25 gift cards are simple. Click on the link <https://www.surveymonkey.com/r/MWCIAMARCHMADNESS> to take part in the matches through survey monkey. You must leave a valid email address to participate. (This is only so that we can add it to the random drawing for the gift card and have a way to contact you should you win.)

Simply pick your favorite or most useful MWCIA web application or reference page out of the matchups listed and vote!

We've got some great lineups here for week one! Be sure to keep your eyes on all the matchups, as to see if the favorites win. Will the **Computer Based Training (CBT) Chillers** freeze out the *Golden Ratemaking Reporters*? Or will the *Lingering (Experience Mod) Lookups* finally overtake the *Manual Marauders*?

Check back on Thursday for the winner.
Visit us again on Tuesday for the next question.

Another round begins the following week.

It really is that easy! We hope this helps brighten up a long winter and brings a smile to your face.

Sincerely,
MWCIA Staff and Management
(Employees of MWCIA are not eligible to win prizes in this contest.)
